La canción de los pronombres (sing to the tune of “Doe, a deer…”)

YO means “I”
and TÚ means “you”
ÉL and ELLA, “he” and “she”
USTED means “you” more formally
NOSOTROS and NOSOTRAS both mean “we”
ELLOS and ELLAS both mean “they”
USTEDES is “y’all” the southern way
That’s all the pronouns I can say
So let’s start again at yo, yo, yo, yo…
